## for further discussion

Which of the 'dangerous supplements' we considered this morning are you most tempted by?

How does our text this morning help undermine it's appeal?

## outline

Three dangerous supplements:

1. **Fulfilled Religion (vs. 16-17)**
2. **Far-out Revelations (vs. 18-19)**
3. **Futile Regulation (vs. 20-23)**
