

## Our Plan

We believe the Lord Jesus is engaged in a worldwide building project! Since West Valley began in 2008, God has been laying a solid foundation of Biblical teaching, Christ-centered worship, and welcoming community. By his grace, we continue to be fellow workers with him in building on that foundation. Over the next three years, we hope to take bold steps together to build one another UP to maturity, build people IN to deeper fellowship, and build bridges OUT into our community.
